for a final subdivision public report on

FILE NO. 3038-SD

TRACT NO. 699

IMPERIAL COUNTY, CALIFORNIA

**This Report Is Not a Recommendation or Endorsement of the Subdivision
But Is Informative Only.**

Buyer or Lessee Must Sign That He Has Received and Read This Report.

THIS REPORT EXPIRES ON MAY 18, 1967 OR UPON ANY MATERIAL CHANGE.

MARCH 3, 1965

SPECIAL NOTES:

1. CONTRACTS OF SALE WILL BE USED. UNLESS THE SELLER'S SIGNATURE IS NOTARIZED, THE CONTRACT CANNOT BE RECORDED AND THE PURCHASER'S INTEREST MAY BE JEOPARDIZED.

PURCHASERS' INTERESTS ARE FURTHER JEOPARDIZED IN THE CONTRACTS USED IN THIS SUBDIVISION DUE TO A PROVISION THAT THE ENTIRE UNPAID BALANCE MAY BE DUE IF THE CONTRACT IS RECORDED.

2. PURCHASERS WILL BE REQUIRED TO DEVELOP THEIR OWN INDIVIDUAL SEWAGE SYSTEM ON A TEMPORARY BASIS, DUE TO UNFAVORABLE SOIL CONDITIONS, AND UNTIL AN ADEQUATE CENTRAL SEWAGE SYSTEM IS INSTALLED BY THE COMMUNITY SERVICES DISTRICT. THE SUBDIVIDER HAS AGREED TO THE PAYMENT OF MONIES FOR INSTALLATION OF A COMMUNITY SEWER SYSTEM BY THE DISTRICT.

LOCATION AND SIZE: In Imperial County, on the west side of Salton Sea and Highway 99 on Harvard Avenue. It is about 30 miles southeast of Indio. Approximately 87.13 acres divided into 242 parcels.

RESTRICTIONS AND OTHER MATTERS OF RECORD: Easements, conditions, reservations and restrictions that may run with the land including city or county zoning restrictions should be investigated by the purchaser. Copies of those items which are recorded may be inspected at the office of the Imperial County Recorder. Information about zoning may be obtained at the office of the Imperial County Planning Commission.

All under-ground water in, under, or flowing through said land and water rights appurtenant thereto are being reserved by prior owners.

STREETS: Streets have been offered for dedication for public use and have been accepted by the county.

FLOOD AND DRAINAGE: Coachella Valley County Water District advises: "...The northern edge of this proposed subdivision adjoins Zenas Wash which carries drainage waters from the higher area west of this tract. The subdivider has provided easements for the construction of flood protection works to protect this area from stormwater flows. When these protective works are constructed as planned this area will be reasonably safe from stormwater flows."

2

WATER: The Coachella Valley County Water District has agreed to furnish water to each lot in this tract. This county water district may levy taxes to finance projects to install and maintain water systems within the district.

DESERT WIND AND RAINS: Heavy winds blow from time to time in all desert regions in California, and this may or may not prove detrimental to this subdivision. During certain periods of the year heavy rains may occur in desert regions of California.

PURCHASE MONEY HANDLING: The subdivider has certified he will impound all funds received from each purchaser in a trust account at Bank of America, Azusa Branch, ONLY UNTIL the contract is executed and delivered to the purchaser (Ref. Sections 11013, 11013.4(a), Business and Professions Code).

CONTRACTS OF SALE: In addition to the Special Notes on Contracts on Page 1, the contracts used require written consent of the seller to transfer the contract, and a provision that all money paid in and all rights are forfeited by the buyer if he does not comply with the terms of the contract. Prospective purchasers should read and understand the contract before signing same.

Subdivider advises a deed will be issued, upon request of any purchaser, at such time as one-third of the principal balance has been paid on the contract of sale.

UTILITIES: Note: Electricity and telephone lines have been brought into the area. The subdivider's firm has agreed to extension of power lines to any lot, without extension costs to purchasers, where approval for construction and necessary construction permits have been received by the purchaser. No public gas lines to the area are available.

ELECTRICITY: Imperial Irrigation District
GAS: Indio Gas Company (Bottled gas only)
TELEPHONE: California Water and Telephone Company

NOTE: Contact the above companies regarding extension rules and regulations, service connections and the costs involved.

SEWAGE DISPOSAL: Soil conditions are not favorable for septic tanks and cesspools except on a temporary basis. This form of sewage disposal may not function properly as the area develops. Contracts have been entered into providing for the payment of certain monies by the subdividers to the community services district for the eventual installation of a community sewer system.

A Community Services District may levy assessments and have the sole and exclusive discretion as to time, location and design of the construction and installation of disposal treatment facilities which are to be installed.

The Division of Real Estate does not have engineering personnel to determine the requirements of such a system or the costs involved. There is no assurance as to when or if each and every lot in this subdivision will receive the services of a sewage system.

FIRE PROTECTION: The Salton Community Services District has agreed to furnish fire protection through the West Shores Volunteer Fire Department. Subdivider has agreed to install fire hydrants at 800 foot intervals.

MISCELLANEOUS: It is approximately:

30 miles to the high school;
15 miles to the grammar school;
30 miles to Indio for complete shopping facilities.

School bus service is available to both schools. Available public transportation consists of bus at Highway 99 and Marina Drive, which is a flag stop.

Note: Purchasers should contact the local school board regarding school facilities and bus service.
