In the matter of the application of

SALTON CITY,
a California corporation

for a final subdivision public report on

TRACT NO. 558
IMPERIAL COUNTY, CALIFORNIA

THIRD AMENDED
FINAL SUBDIVISION
PUBLIC REPORT

Res. No. 2055-SD

**This Report Is Not a Recommendation or Endorsement of the Subdivision
But Is Informative Only.**

Buyer or Lessee Must Sign That He Has Received and Read This Report.

THIS REPORT EXPIRES FIVE YEARS FROM DATE OR UPON MATERIAL CHANGE.

June 15, 1962

SPECIAL NOTES:

1. CONTRACTS OF SALE WILL BE USED. UNLESS THE SELLER'S SIGNATURE IS NOTARIZED, THE CONTRACT CANNOT BE RECORDED AND THE PURCHASER'S INTEREST MAY BE JEOPARDIZED.

PURCHASERS' INTERESTS ARE FURTHER JEOPARDIZED IN THE CONTRACTS USED IN THIS SUBDIVISION DUE TO A PROVISION THAT THE ENTIRE UNPAID BALANCE MAY BE DUE IF THE CONTRACT IS RECORDED.

2. PURCHASERS WILL BE REQUIRED TO DEVELOP THEIR OWN INDIVIDUAL SEWAGE SYSTEM ON A TEMPORARY BASIS, DUE TO UNFAVORABLE SOIL CONDITIONS, AND UNTIL AN ADEQUATE CENTRAL SEWAGE SYSTEM IS INSTALLED BY THE COMMUNITY SERVICES DISTRICT. THE SUBDIVIDER HAS AGREED TO THE PAYMENT OF MONIES FOR INSTALLATION OF A COMMUNITY SEWER SYSTEM BY THE DISTRICT.

ADDITIONAL INFORMATION FOLLOWS IN NARRATIVE FORM:

LOCATION AND SIZE: In Imperial County on the west side of Salton Sea and the east side of Highway 99, north of Marina Drive, approximately 30 miles southeast of Indio.

Approximately 80 acres divided into 182 parcels.

RESTRICTIONS AND OTHER MATTERS OF RECORD: Easements, conditions, reservations and restrictions that may run with the land including City or County zoning restrictions should be investigated by the Purchaser. Copies of those items which are recorded may be inspected at the office of the Imperial County Recorder. Information about zoning may be obtained at the office of the Imperial County Planning Commission.

All under-ground water in, under, or flowing through said land and water rights appurtenant thereto are being reserved by prior owners.

Title excepts all oil, gas, etc., minerals with the right to use so much of the surface of the land necessarily incident to mining, drilling, or otherwise developing such rights and as reserved in the patent from the State of California, dated December 6, 1951, Recorded in Book 832, Page 409 of Official Records. (Affects land within boundaries of Section 20 and 30)

STREETS: have been offered for dedication for public use and have been accepted by the County.

FLOOD AND DRAINAGE: The subdivider's engineer advises, "...There can be no possible damage from inundation from rising waters of Salton Sea due to the fact that the elevations in this tract are far above any level generally accepted to which the sea may rise.

"There are no washes traversing this tract, and all lots are reasonably free from flood hazards."

The Division of Real Estate has no engineering personnel to make independent judgments on the suitability of drainage arrangements. Purchasers should make further inquiry of the subdivider or local government officials.

WATER: The Coachella Valley County Water District has agreed to furnish water to each lot in this tract. This county water district may levy taxes to finance projects to install and maintain water systems within the district.

SEWAGE DISPOSAL: Soil conditions are not favorable for septic tanks and cess-pools except on a temporary basis. This form of sewage disposal may not function properly as the area develops. Contracts have been entered into providing for the payment of certain monies by the subdividers to the Community Services District for the eventual installation of a community sewer system.

A Community Service District may levy assessments and have the sole and exclusive discretion as to time, location and design of the construction and installation of disposal treatment facilities which are to be installed.

The Division of Real Estate does not have engineering personnel to determine the requirements of such a system or the costs involved. There is no assurance as to when or if each and every lot in this subdivision will receive the services of a sewage system.

DESERT WIND AND RAINS: Heavy winds blow from time to time in all desert regions in California, and this may or may not prove detrimental to this subdivision. During certain periods of the year heavy rains may occur in desert regions of California.

IN ADDITION TO THE ABOVE, THIS SUBDIVIDER ADVISES REGARDING FOLLOWING ITEMS:

PURCHASE MONEY HANDLING: The subdivider has certified he will impound all funds received from each purchaser in an escrow depository or trust account at Bank of America, Azusa Branch, ONLY UNTIL the contract is executed and delivered to the purchaser, excepting for such amounts as the subdivider may properly cover by furnishing a bond to the State of California. (Ref. Sections 11013, 11013.4(a), 11013.4(b), Business and Professions Code.)

CONTRACTS OF SALE: In addition to the Special Notes on Contracts on Page 1, the contracts used require written consent of the seller to transfer the contract, and a provision that all money paid in and all rights are forfeited by the buyer if he does not comply with the terms of the contract. Prospective purchasers should read and understand the contract before signing same.

Subdivider advises a deed will be issued, upon request of any purchaser, at such time as one-third of the principal balance has been paid on the contract of sale.

UTILITIES: Note: Electricity and telephone lines have been brought into the area. The subdivider's firm has agreed to extension of power lines to any lot, without extension costs to purchasers, where approval for construction and necessary construction permits have been received by the purchaser. No public gas lines to the area are available.

ELECTRICITY: Imperial Irrigation District
GAS: Indio Gas Company (Bottled gas only)
TELEPHONE: California Water & Telephone Company

Note: Contact the above companies regarding extension rules and regulations, service connections and costs involved.

These conditions shall run with the land and shall be binding upon all parties and all persons claiming under them until January 1, 1968, at which time said Conditions and Covenants shall be automatically extended for successive periods of ten (10) years, unless by vote of the owners of a majority of the lots in said Tract, it is agreed to change said Conditions in whole or in part.

PROVIDED FURTHER, that if any paragraph, section, sentence, clause or phrase of the restrictions, conditions, and covenants herein contained shall be or become illegal, null, or void, for any reason or shall be held by any court of competent jurisdiction to be illegal, null, or void, the remaining paragraphs, sections, sentences, clauses or phrases herein contained shall not be affected thereby. It is hereby declared that these restrictions, conditions, and covenants herein contained would have been and are imposed and each paragraph, section, sentence, clause or phrase thereof, irrespective of the fact that any one or more other paragraphs, sections, sentences clauses or phrases are or shall become or be illegal, null, or void.

PROVIDED FURTHER, that if any owner of any lot in said property or his heirs, or assigns, shall violate or attempt to violate any of the conditions, covenants and/or restrictions herein, it shall be lawful for any other person or persons owning any other lots in said property to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such conditions, covenants, and/or restrictions and either to prevent him or them from so doing or to recover damages or other dues for such violation.

PROVIDED FURTHER, that a breach of any of the foregoing conditions, covenants, and/or restrictions shall not defeat or render invalid the lien of any mortgage, or deed of trust in good faith, and for value, as to said property or any part thereof; but such conditions, covenants, and/or restrictions shall be binding upon and effective against any owner of any lot or lots in said property whose title is acquired by foreclosure, trustee's sale, or otherwise.
