

BEFORE THE
DEPARTMENT OF INVESTMENT
DIVISION OF REAL ESTATE
OF THE
STATE OF CALIFORNIA
W. A. SAVAGE, Real Estate Commissioner

In the matter of the application of

SALTON VIEW DEVELOPMENT CO.,
a California corporation

for a final subdivision public report on

TRACT NO. 560
IMPERIAL COUNTY, CALIFORNIA

THIRD AMENDED
FINAL SUBDIVISION
PUBLIC REPORT

Res. No. 2058-SD

**This Report Is Not a Recommendation or Endorsement of the Subdivision
But Is Informative Only.**

Buyer or Lessee Must Sign That He Has Received and Read This Report.

THIS REPORT EXPIRES FIVE YEARS FROM DATE OR UPON MATERIAL CHANGE.

June 15, 1962

SPECIAL NOTES:

1. CONTRACTS OF SALE WILL BE USED. UNLESS THE SELLER'S SIGNATURE IS NOTARIZED, THE CONTRACT CANNOT BE RECORDED AND THE PURCHASER'S INTEREST MAY BE JEOPARDIZED.

FURCHASERS' INTERESTS ARE FURTHER JEOPARDIZED IN THE CONTRACTS USED IN THIS SUBDIVISION DUE TO A PROVISION THAT THE ENTIRE UNPAID BALANCE MAY BE DUE IF THE CONTRACT IS RECORDED.

2. PURCHASERS WILL BE REQUIRED TO DEVELOP THEIR OWN INDIVIDUAL SEWAGE SYSTEM ON A TEMPORARY BASIS, DUE TO UNFAVORABLE SOIL CONDITIONS, AND UNTIL AN ADEQUATE CENTRAL SEWAGE SYSTEM IS INSTALLED BY THE COMMUNITY SERVICES DISTRICT. THE SUBDIVIDER HAS AGREED TO THE PAYMENT OF MONIES FOR INSTALLATION OF A COMMUNITY SEWER SYSTEM BY THE DISTRICT.

ADDITIONAL INFORMATION FOLLOWS IN NARRATIVE FORM:

LOCATION AND SIZE: In Imperial County on the west side of Salton Sea and the west side of Highway 99, at Marina Drive, approximately 30 miles southeast of Indio.

Approximately 110 acres divided into 40 parcels.

RESTRICTIONS AND OTHER MATTERS OF RECORD: Easements, conditions, reservations and restrictions that may run with the land including City or County zoning restrictions should be investigated by the Purchaser. Copies of those items which are recorded may be inspected at the office of the Imperial County Recorder. Information about zoning may be obtained at the office of the Imperial County Planning Commission.

All under-ground water in, under, or flowing through said land and water rights appurtenant thereto are being reserved by prior owners.

Title also excepts all oil, gas, etc., minerals with the right to enter upon the land to prospect, drill, mine, and develop such rights, and as reserved in the patent from the State of California, recorded in Book 832, page 409 of Official Records. (Affects lands within boundaries of Section 30)

STREETS: have been offered for dedication for public use and have been accepted by the County.

FLOOD AND DRAINAGE: The subdivider's engineer advises:

"There is no possible damage from inundation from rising waters of Salton Sea due to the fact that the elevations in this tract are far above any level generally accepted to which the sea may rise.

"Iberia Wash flows directly north of this tract and carries drainage from a portion of the Santa Rosa Mountains west of the tract. It is contemplated that a drainage easement will be constructed along the west sides of a portion of Sections 19 and 30 intercepting all drainage so that storm waters will flow down Iberia Wash on the north and will be discharged into Arroya Salada on the south. Sufficiently wide drainage easements have been set aside for the proper construction of channels to care for this flow, and upon the construction of these channels all lots in this tract will be reasonably free from flood hazard."

The Division of Real Estate has no engineering personnel to make independent judgments on the suitability of drainage arrangements. Purchasers should make further inquiry of the subdivider or local government officials.

WATER: The Coachella Valley County Water District has agreed to furnish water to each lot in this tract. This county water district may levy taxes to finance projects to install and maintain water systems within the district.

SEWAGE DISPOSAL: Soil conditions are not favorable for septic tanks and cess-pools except on a temporary basis. This form of sewage disposal may not function properly as the area develops. Contracts have been entered into providing for the payment of certain monies by the subdividers to the Community Services District for the eventual installation of a community sewer system.

A Community Service District may levy assessments and have the sole and exclusive discretion as to time, location and design of the construction and installation of disposal treatment facilities which are to be installed.

The Division of Real Estate does not have engineering personnel to determine the requirements of such a system or the costs involved. There is no assurance as to when or if each and every lot in this subdivision will receive the services of a sewage system.

DESERT WIND AND RAINS: Heavy winds blow from time to time in all desert regions in California, and this may or may not prove detrimental to this subdivision. During certain periods of the year heavy rains may occur in desert regions of California.

IN ADDITION TO THE ABOVE, THIS SUBDIVIDER ADVISES REGARDING FOLLOWING ITEMS:

PURCHASE MONEY HANDLING: The subdivider has certified he will impound all funds received from each purchaser in an escrow depository or trust account at Bank of America, Azusa Branch, ONLY UNTIL the contract is executed and delivered to the purchaser, excepting for such amounts as the subdivider may properly cover by furnishing a bond to the State of California. (Ref. Sections 11013, 11013.4(a), 11013.4(b), Business and Professions Code.)

CONTRACTS OF SALE: In addition to the Special Notes on Contracts on Page 1, the contracts used require written consent of the seller to transfer the contract, and a provision that all money paid in and all rights are forfeited by the buyer if he does not comply with the terms of the contract. Prospective purchasers should read and understand the contract before signing same.

Subdivider advises a deed will be issued, upon request of any purchaser, at such time as one-third of the principal balance has been paid on the contract of sale.

UTILITIES: Note: Electricity and telephone lines have been brought into the area. The subdivider's firm has agreed to extension of power lines to any lots, without extension costs to purchasers, where approval for construction and necessary construction permits have been received by the purchaser. No public gas lines to the area are available.

ELECTRICITY: Imperial Irrigation District
GAS: Indio Gas Company (Bottled gas only)
TELEPHONE: California Water & Telephone Company

Note: Contact the above companies regarding extension rules and regulations, service connections and costs involved.

FIRE PROTECTION: The Salton Community Services District has agreed to furnish fire protection through the West Shores Volunteer Fire Department. Subdivider has agreed to install fire hydrants at 800 feet intervals.

MISCELLANEOUS: It is approximately:

30 miles to the high school;
15 miles to the grammar school; and
30 miles to Indio for complete shopping facilities.

School bus service is available to both schools. Available public transportation consists of bus at Highway 99, which is a flag stop, 3 miles from tract.

Note: Purchasers should contact the local school board regarding school facilities and bus service.

OF
ARCHITECTURE

portio of the structure. All structures shall basically be of ONE LEVEL construction and no two-story structure shall be permitted unless, in the opinion of the "Committee of Architecture" such a structure conforms to the over-all design and pattern of development. On commercial structures submitted for approval, the "Committee" may require changes, deletions, or revisions in order that the architectural and general appearance of all such commercial buildings and grounds be in keeping with the architecture of the neighborhood and such as not to be detrimental to the public health, safety, general welfare, and architectural appearance effecting the property values of the community in which such use or uses are to be located.

B. It shall remain the prerogative and in the jurisdiction of the "Committee of Architecture" to review application and grant approvals for exceptions to this declaration. Variations from requirements and, in general, other form of deviation from those restrictions imposed by this declaration, when such exception, variances and deviations do, in no way, detract from the appearance of the premises, nor in any way be detrimental to the public welfare or to the property of other persons located in the vicinity thereof, in the sole opinion of the Committee.

C. ~~All buildings shall have a septic tank and leeching pit or pits, as may be required, installed in the rear yard, per specifications attached hereto and made a part hereof. In the event a lot is used for multiple residence purposes and additional pits are found necessary to properly dispose the fluids, then a greater area shall be taken in the front yard and properly connected to that in the rear. The responsibility for determining the need for additional pits shall be vested in the Desert Shores Community Services District. The Community Service District is vested with the responsibility and authority for the enforcement of these provisions. Under California Health and Safety Code (Section 5000) and California Government Code (Section 54300), all buildings shall connect with wastewater collection system where available. When wastewater collection system is unavailable, a leeching septic tank system may be until such time as the wastewater collection system becomes available at which time connection will be mandatory.~~
