WHEREAS, the Declarant is the owner of that certain Tract No. 562, Imperial County, California, as per plat thereof recorded in Book 5, Pages 14, records of said County, and

WHEREAS the Declarant is about to sell, dispose of or convey the lots in said Tract No. 562 above described, and desires to subject the same to certain protective covenants, conditions, restrictions (hereinafter referred to as "Conditions") between it and the acquirers and/or users of the lots in said Tract.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That Declarant hereby certifies and declares that it has established and does hereby establish general plan for the protection, maintenance, development and improvement of said Tract, that

THIS DECLARATION is designed for the mutual benefit of the lots in said Tract and Declarant has fixed and does hereby fix the protective conditions upon and subject to which all lots, parcels and portions of said Tract shall be held, leased, or sold, and/or conveyed by them as such owners, each and all of which is and are for the mutual benefit of the lots in said Tract and of each owner thereof, and shall run with the land and shall inure to and pass said Tract and each and every parcel of land therein, and shall apply to and bind the respective successors in interest thereof, and are and each thereof is imposed upon said Tract as a mutual, equitable servitude in favor of each and every parcel of land therein as the dominant tenement or tenements.

SAID CONDITIONS ARE AS FOLLOWS:

That all the lots in said tract shall be designated as C-2 and shall be improved, used and occupied for commercial purposes under the conditions hereinafter set forth under ZONE C-2 REGULATIONS,

RESERVING THEREFROM:

All that portion of all the lots within this subdivision lying from the building setback line to the street and all that portion of the lots lying from the rear set back line to rear lot line AS SHOWN ON THE RECORDED MAP

AN EASEMENT FOR INGRESS, EGRESS, PUBLIC UTILITIES, DRIVEWAYS, WALKWAYS, AND PARKING, TO BE USED IN COMMON WITH OTHERS.

II. GENERAL

COMMITTEE  
OF  
ARCHITECTURE

- A. No building, fence, patio, or other structure shall be erected, altered, added to, placed, or permitted to remain on said lots or any of them or any part of any such lot until and unless the plans showing floor areas, external design and the ground location of the intended structure along with a plot plan and a checking fee in the amount of five dollars (\$5.00) have been first delivered to and approved in writing by any two (2) members of a "Committee of Architecture" which shall be initially composed of C. W. Burmood, George McCarthy, and August Damon, provided that any vacancy on such committee caused by death, resignation, or disability to serve shall be filled on the nomination of SALTON RIVIERA, INC. It shall be the purpose of this committee to provide for the maintenance of a high standard of architecture and construction in such a manner as to enhance the aesthetic properties of the developed subdivision. Notwithstanding other requirements imposed, this committee shall require not less than twelve hundred (1,200) square feet of floor area for any single family residence INCLUDING carport, garage, covered porches, covered contiguous patios, etc., with a minimum floor area of eight hundred (800) square feet for living area in the dwelling portion of the structure. All structures shall basically be of ONE LEVEL construction and no 2-story structure shall be permitted unless, in the opinion of the Committee of Architecture such a structure conforms to the over-all design and pattern of development. On commercial structures submitted for approval, this committee may require changes, deletions, or revisions in order that the architectural and general appearance of all such commercial buildings and grounds be in keeping with the architecture of the neighborhood and such as not to be detrimental to the public health, safety, general welfare and architectural appearance effecting the property values of the community in which such use or uses are to be located.
- B. It shall remain the prerogative and in the jurisdiction of the "Committee of Architecture" to review applications and grant approvals for exceptions to this declaration. Variations from requirements and, in general, other forms of deviation from those restrictions imposed by this declaration, when such exceptions, variances and deviations do, in no way, detract from the appearance of the premises, nor in any way be detrimental to the public welfare or to the property of other persons located in the vicinity thereof, in the sole opinion of the Committee.
- C. All buildings shall have a septic tank and leeching pit or pits, as may be required, installed in the rear yard, per specifications attached hereto and made a part hereof. In the event a lot is used for multiple residence purposes and additional pits are found necessary to properly dispose the fluids, then a greater area shall be taken in the front yard and properly connected to that in the rear. The responsibility for determining the need for additional pits shall be vested in the Desert Shores Community Services District. The Community Services District is vested with the responsibility and authority for the enforcement of these provisions.

III. RESIDENTIAL ZONES:

- A. As used in this declaration, "Residential Zones" means zones R-1, R-2 and R-3.
- B. A person shall not use any premises in any residential zone, which is designed, arranged or intended to be occupied or used for any purpose, other than expressly permitted in this declaration.
- C. In any building project, during construction and sixty (60) days thereafter, property in a residential zone may be used for the storage of materials used in the construction of the individual buildings in project and for the contractor's temporary office. Said construction period shall not exceed ninety (90) days, unless specifically approved by the Committee of Architecture.
- D. A person shall not keep or maintain any live pig or hog or livestock or goats, cows or fowl of any age in any residential zone, whether such animals are kept or maintained for the personal use of the occupants or otherwise.
- E. No person shall cause to be erected a sign, advertisement billboard or advertising structure of any kind of any of the unimproved residential lots, except that a temporary permit, limited to a ninety-day period, for signs for houses to be sold or exhibited be first obtained by application to the architectural committee. The architectural committee may approve the location of these signs within the front set-back of the lot.
- F. No temporary buildings, basement, cellar, tent, shack garage, barn or other outbuilding or structure shall, at any time, be used for human habitation, temporarily or permanently.
- G. A trailer may be used as a residence of the owner and his family during construction by such owner of a permanent residence, but only after approval has been gained from the architectural committee for such residence, but in no event shall said trailer be used longer than ninety days.
- H. The exterior portions of all buildings, which are constructed of wood, stucco or cement shall be painted or stained immediately upon completion or shall have color mixed in the final structural application.
- I. Residences shall have complete and approved plumbing installations before occupancy.
- J. A temporary Real Estate tract office, for the purpose of conducting the sale of property in the sub-division, upon which such office is located, for a period not to exceed one year, provided such tract office is not used for conducting a general real estate business. Any structure, used for such purpose, shall, at the end of such one year period, be either removed or used for a purpose permitted in the zone in which it is located.
- K. The storage of tools, landscaping instruments, household effects, machinery or machinery parts, empty or filled containers, boxes, or bags, trash, materials or other miscellaneous items that shall, in appearance, detract from the aesthetic values of the property, shall be so placed and stored to be concealed from view from the public right of way. Trash for collection may be placed at the street line on regular collection days for a period not to exceed eighteen hours, prior to pick up.
