Name (first & last): _____ Telephone(s): _____

Mailing Address: _____

City, State, and Zip: _____

Physical address of registered self-hauling location: _____

Parcel Number of registered location ----- _____

Section 2: Choose Opt-Out Program below, and the appropriate section indicated:

- Self-Haul Option.** Please proceed to Section 1.A

Please read this application in its entirety. Sign Certification and submit application to District.

Section 1.A

Self-Haul Option

A. The person in charge of a single-family premises may apply for and obtain a permit to self-haul and shall not self-haul without a valid self-haul permit issued pursuant to this section. Every person in charge of a single-family premises who desires to self-haul in lieu of making arrangements with the appropriate solid waste franchisee for solid waste handling services shall obtain a self-haul permit from the District prior to commencing self-hauling.

B. The applicant will provide photo and/or narrative descriptions demonstrating the following:

1. The vehicle the applicant intends to use for self-hauling, and the vehicle meets the following standards:

a. The vehicle is capable of safely hauling a minimum of 32 gallons (4.3 cubic feet) of solid waste, non-organic recyclables, and organic waste in a safe and sanitary manner so that such matter will not spill;

b. If the vehicle is not fully enclosed, the applicant produces a tarp or other material that is demonstrated to completely secure the materials being self-hauled.

2. The applicant owns or leases the vehicle produced for inspection or has a written agreement to use the vehicle for self-hauling with the vehicle's owner or lessor;

Section 1.A Continued

Self-Haul Option

- 3. The applicant has a valid California driver's license to operate the vehicle and that the vehicle is registered in the State of California;
- 4. The applicant has automobile insurance for the vehicle;
- 5. The vehicle is operational and meets all applicable Vehicle Code standards; and
- 6. The applicant has containers for the storage of solid waste, non-organic recyclables, and organic waste on the applicant's premises before the materials are hauled to a disposal facility

Please call 760-394-4446 if you have any questions or require further information. District Hours are Monday through Thursday from 7:00 a.m. to 5:30 p.m.

CERTIFICATION

(To be completed by Applicant)

As the applicant for an Opt-Out Program, I certify that I have read and understand the attached requirements, and shall comply with all District and State requirements for transport and disposal of solid waste and for reporting, transport, and diversion of non-organic recyclable materials and organic waste. I understand that I am responsible for compliance and that my failure to comply will invalidate my registration and permit as an Opt-Out Program and may result in criminal prosecution.

Signature: _____ Date: _____

APPROVAL

(To be completed by Agency)

Approval is conditional and subject to applicants ongoing reporting and compliance with the Community Services District Opt-Out Program. This permit expires _____ and notification by the District prior to expiration will not be provided. The applicant must reapply each year.

Approved by: _____

Signature: _____ Date: _____

REGISTRATION

Please provide the information requested in this form and submit it to the Community Services District. Your application will be reviewed and if consistent with the District Outlined Rules, a permit will be issued. If approved, your Self-Hauler permit will be valid through June of each year.

APPROVED Opt-Out PERMITS EXPIRE ANNUALLY AND MUST REAPPLY EACH YEAR PRIOR TO MAY 31ST.

SELF HAUL OPERATIONAL REQUIREMENTS

1. Self-haul permittees must dispose of solid waste weekly at a licensed or permitted landfill or disposal facility and shall procure and retain weekly receipts from such landfill or other disposal facility. Receipts shall be submitted to the District monthly. Failure to show proof of solid waste disposal for each week that a person is permitted to self-haul shall constitute a public health and safety nuisance sufficient to permit the District to revoke the permittees' self-haul permit.
2. Authorized self-haulers shall source separate all non-organic recyclable materials and organic waste generated on-site from other solid waste in a manner consistent with 14 CCR Sections 18984.1 and 18984.2, or shall haul organic waste to a high diversion organic waste processing facility as specified in 14 CCR Section 18984.3.
3. Self-haulers shall haul their source separated recyclable materials to a facility that recovers those materials; and haul their source separated green container organic waste to a solid waste facility, operation, activity, or property that processes or recovers source separated organic waste. Alternatively, self-haulers may haul organic waste to a high diversion organic waste processing facility.
4. Self-haul permittees must notify the District of any change in the vehicle being used to haul solid waste by the permittee. Permittees must demonstrate compliance with subdivisions 1 through 5 of section 1.A. B before the new vehicle is used to haul any solid waste under the permit.
5. Self-haul permittees must keep on file with the District copies of the current automobile insurance and registration for the vehicle used to self-haul and the permittee's current California driver's license. Permittees must provide proof to District of renewed automobile insurance, vehicle registration, and California driver's license within five days of expiration of respective document.
6. Self-haul permittees are liable for any damages and clean-up costs resulting from any solid waste spills during the course of the permittee's self-hauling activity.

HAZARDOUS AND SPECIAL WASTES

Unless lawfully and currently licensed under state, federal, and local laws, no self-hauler shall engage in the collection, transport, or disposal of hazardous materials or special waste.
