- B. It shall remain the prerogative and in the jurisdiction of the “Committee of Architecture” to review applications and grant approvals for exceptions to this declaration, variations from requirements and, in general, other forms of deviations from those restrictions imposed by this declaration, when such exceptions, variances and deviations do, in no way, detract from the appearance of the premises, nor in any way be detrimental to the public welfare or to the property of other persons located in the vicinity thereof, in the sole opinion of the “Committee”.
- C. ~~<sup>3</sup>All buildings shall have septic tank and leeching pit or pits, as may be required, installed in the rear yard, in accordance with Imperial County Ordinance No. 239 and regulations accompanying same.~~—Under California Health and Safety Code (Section 5000) and California Government Code (Section 54300), all buildings shall connect with wastewater collection system where available. When wastewater collection system is unavailable, a leeching septic tank system may be until such time as the wastewater collection system becomes available at which time connection will be mandatory.

### III. RESIDENTIAL ZONES

- A. As used in this declaration, “Residential Zones” means zones R-1, R-2, R-3, and R-4, as defined in Imperial County Ordinance 249, unless otherwise stated in the Declaration.
- B. A person shall not use any premises in any residential zone, which is designed, arranged or intended to be occupied or used for any purpose, other than expressly permitted in this declaration.

### STORAGE OF MATERIALS

- C. In any building project, during construction and sixty (60) days thereafter, property in a residential zone may be used for the storage of materials used in the construction of the individual buildings in project and for the contractor’s temporary office. Said construction period shall not exceed ninety (90) days, unless specifically approved by the Committee of Architecture.

---

<sup>3</sup> Under California Health and Safety Code (Section 5000) and California Government Code (Section 54300), all buildings shall connect with wastewater collection system where available. When wastewater collection system is unavailable, a leeching septic tank system may be until such time as the wastewater collection system becomes available at which time connection will be mandatory.

## LIVESTOCK

- D. A person shall not keep or maintain any live pig or hog or livestock or goats, cows, or fowl of any age in any residential zone, whether such animals are kept or maintained for the personal use of the occupants or otherwise.

## SIGNS

- E. No person shall cause to be erected a sign, advertisement billboard or advertising structure of any kind on any of the unimproved residential lots, except that a temporary permit, limited to a ninety-day period, for signs for houses to be sold or exhibited be first obtained by application to the architectural committee. The architectural committee may approve the location of these signs within the front set-back of the lot.

## TEMPORARY BUILDINGS

- F. No temporary buildings, basement, cellar, tent, shack, garage, barn or other outbuilding or structure shall, at any time, be used for human habitation, temporarily or permanently.

## TRAILER USE

- G. A trailer may be used as a residence of the owner and his family during construction by such owner of a permanent residence, but only after approval has been gained from the architectural committee for such residence, but in no event shall said trailer be used longer than ninety (90) days.

## BUILDING EXTERIOR

- H. The exterior portions of all buildings, which are constructed of wood, stucco or cement shall be painted or stained immediately upon completion or shall have color mixed in the final structural application.
